What are your other comments (positive and constructive)

<p>1. The presenter was very experienced and was able to the learning process fun and engaging. The exercises were very helpful making us appreciate the concept and break the barrier within us to accept change. He has a wealth of experience and yet remained humble and approachable.</p>	<p>2. More role plays would be even better and share real life examples of how coaching is used in sports.</p>
<p>3. The facilitator is very good at addressing expectations, keeping the dynamic going and activities are very relevant.</p>	<p>4. I have learnt a lot in the last 2 days and have opportunities to practice.</p>
<p>5. The flow of the course was awesomely good and likes the way the facilitator ask questions. Very fruitful workshop and inspiring.</p>	<p>6. Love to have more opportunities to practice.</p>
<p>7. Love to hear his examples and more is even better. The facilitator answered everything we posted!</p>	<p>8. The program contents flowed smoothly from one segment to another.</p>
<p>9. Well done Wai K</p>
